

Tonight, we celebrate more than just an anniversary we celebrate a community.

I would like to extend a huge thank you to our gracious sponsors Chef Genesis, Greyling Dental, and Piezo Press.

I would also like to thank the Board of Directors for all their help and dedication. Because of your generosity and dedication to mental health, we are able to continue to do what this foundation does best.

All of you have the ability to help us continue with our mission by making a donation to our cause. Please find the QR code located on the table center pieces. This will take you to the foundation's website, where you can sign up for events, donate, or volunteer.

Thank you all for joining us tonight. If you are participating in the raffle, that will take place in a few minutes.

Thank you

Harmony in
Daily Happiness
